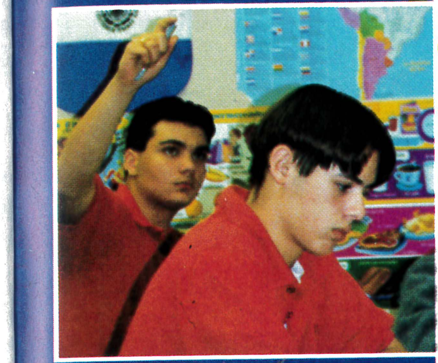
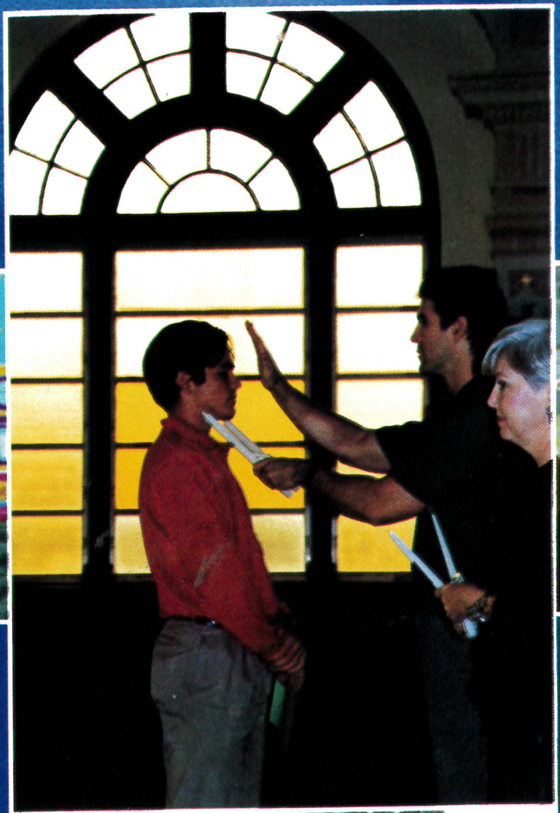
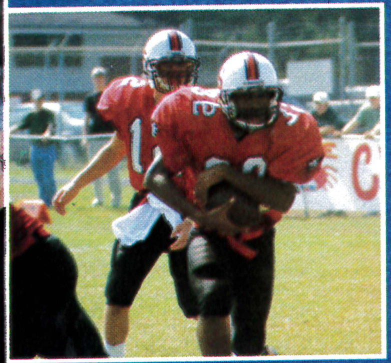
Reflections 1999







St. Stanislaus College, 304 South Beach Boulevard,
Bay St. Louis, Mississippi

From a very early age, we strive to be first: first in line, first at bat, win first place. There will always be occasions, however, when we find ourselves at the end of things. This year, we stand collectively at the end of the twentieth century and salute the remarkable experiences we've shared as the LAST Rock-A-Chaws of the millenium!

Saving the Best for Last!

The 1998-1999 school year presented St. Stanislaus a year of "firsts." Brother Hingle's first year as Principal and Brother Talbot's first year as President brought laptops to the classrooms, uniforms to our wardrobes, and an elevator to the second floor. A display case now honors our achievements, and a fishing rodeo completes our spring activities. There were endings this year, too, for people whom we love, our seniors, and for things we love not as much, the old lunch program! From these memories, there are experiences which stand out as the very best of this last year of the millenium: moments which our hearts will remember long after our memories fade. Here, then, is a tribute to some of the BEST moments of our year . . .

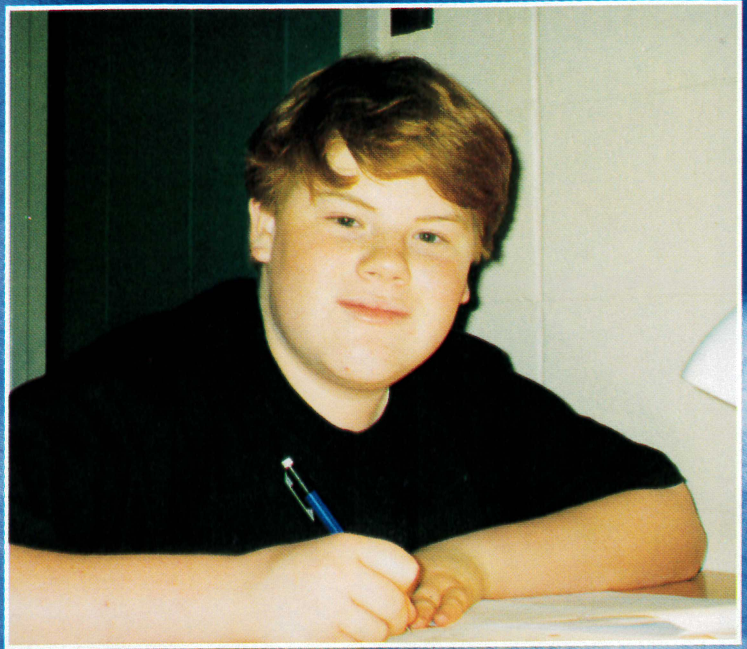
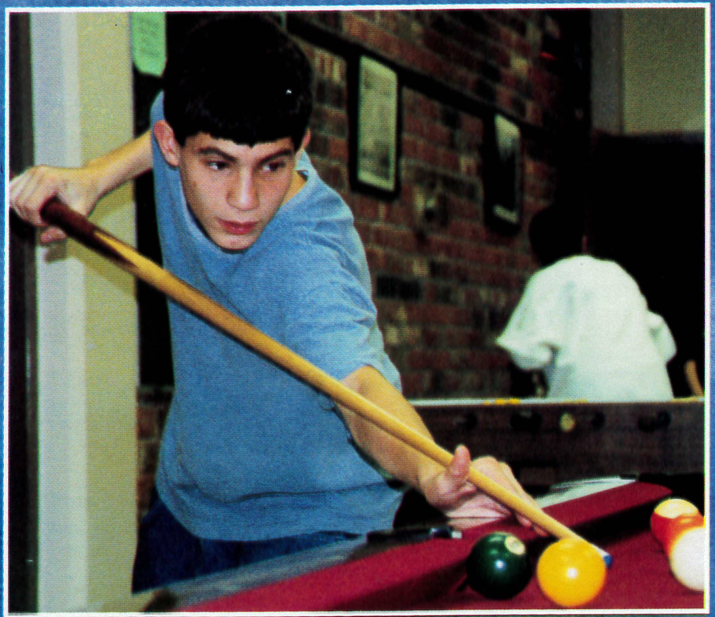
Rock-A-Chaw Dorm Life

The residency program is an integral part of St. Stanislaus College. For many of us, it provides a home away from home. As pictured here, the dormitories provide structured study time, as well as activities that make"down time" one of the best parts of the day. ***At Right:*** Guy Van Slyke studies in his room. **Below, left:** Stephen Majorie unwinds with a quick game of pool.



Below, right: Karoake provides hours of entertainment for Dorm A students. **Bottom, left:** Jonathon Hirdes and Randy Piglia work off some extra energy during intramurals. **Bottom, right:** What's a little fun without Stefan Clayton and Bryan Tatar sporting Rock-A-Chaw shorts as shirts?



At left: Brother David has his hands full with the dorm's haunted house! **Below, left:** Latino students enjoy an American dinner out. **Below, right:** Seniors Mikey Rhinehart and Chris Fine practice those chords. Are those drums?? **Bottom, left:** Chris Gootee and Ross Clark are all "geared up" for the game. **Bottom, right:** The pier provides opportunities for fishing, crabbing, or, as Coach Kenney explains, just hanging around!

Rock-A-Chaw Service

St. Stanislaus views service to others as a vital part of our Christian mission. There are many ways we give back, and as we have learned this year, some of life's best rewards come from simply lending a hand. **Below, left:** Key Club member Kevin Estrade gives of himself and his time as he tutors students at St. Claire Elementary School. **Below, right:** Mrs. Clark and Mr. Schultz serve as Eucharistic ministers to SSC students. Pictured with Mrs. Clark is Neil Norton. **Bottom, left:** Ninth graders Brent Acker and Chris Patterson read the class prayer.
Bottom, right: Sam Tart receives the Host from Mrs. Simpson during mass in the gym.

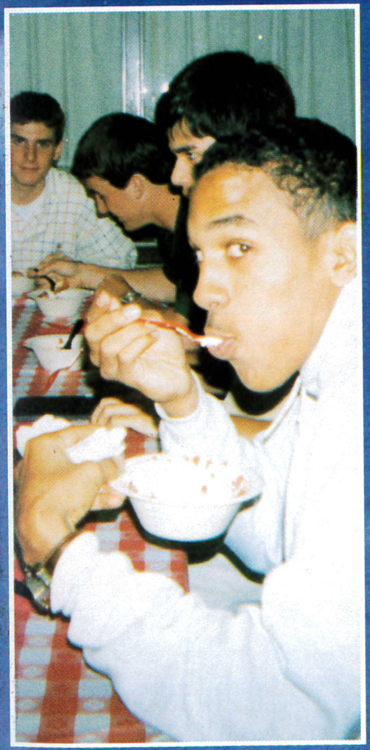
Senior Leadership Breakfast

Organized by the SSC Student Council, the Senior Leadership Breakfast provided seniors a chance to speak with prominent business leaders of our local and national communities. Among those present were Mississippi Attorney General Mike Moore and Congressman Gene Taylor. **Left:** Chris Fine and Mike Moore. **Below, left:**Seniors accept an American flag and a certificate which explains that this flag actually flew over the White House. **Below, right:** Gene Taylor with Matthew Remel, Scott Wallace, and Greg LeBlanc. **Bottom, left:** Mike Moore speaks about the qualities of an effective leader. **Bottom, right:** Mike Moore with Andres Osorno and David Byrne.

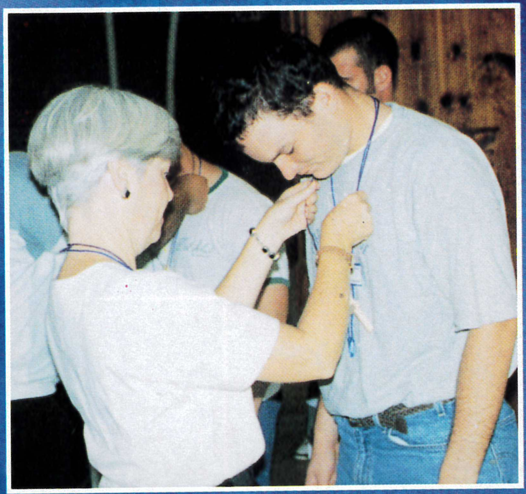
Senior Lunch

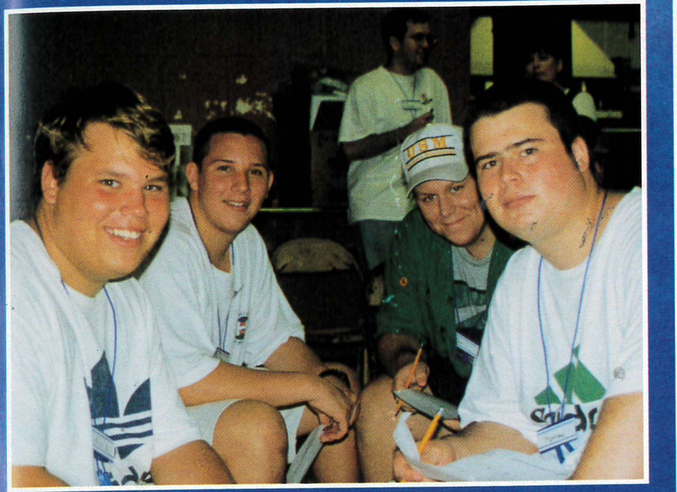


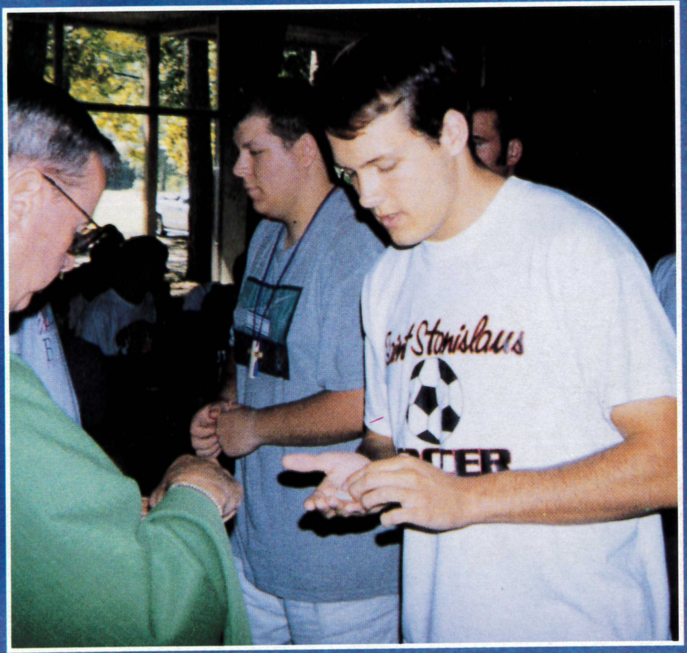
Early in May, Brother Hingle surprised the Senior class by having a senior lunch in the mall. The menu consisted of fried fish, baked beans, salad, and of course, plenty of strawberry cobbler! **Top, left:** Brantley Ladner and Kyle Kidd dig in. **Top, right:** Brother Talbot and Mrs. Quinlan visit with seniors. **Above, left:** Paul Farve says, "Mmmm!"
Above, right: Under classmen serve the seniors as Jeremy Slimmer leads the pack.

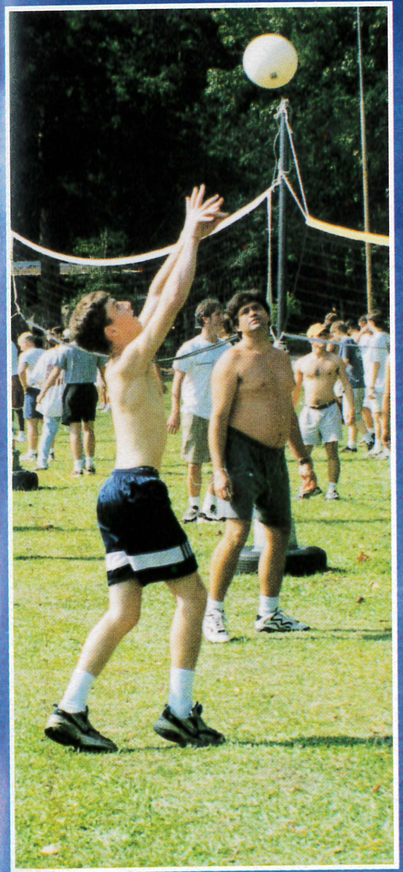
Senior Retreat

Camp Abbey, in Convington, Louisiana, provided the backdrop for this year's senior retreat. The get-away lasted several days, with seniors and teachers alike testifying upon their return to the "awesome" experiences they shared together. It is a time of increasing faith and friendships, as well as a return to the "basics" of this life, such as love, compassion for others, and the importance of prayer. Of course, a quick look here testifies to the simple fun that was also available to curious seniors.









One Last Look Around . . .

"Shakespeare says, we are creatures that look before and after: the more surprising that we do not look round a little, and see what is passing under our very eyes."

Big Brother/Little Brother

The Big Brother/Little Brother program couples members of the senior class together with sixth and seventh graders, students who are generally newcomers to St. Stanislaus. The seniors provide friendship, guidance, and support to their little brothers who are just beginning to learn their way around the campus and its policies.

SSC holds the Big Brother/Little Brother ceremony in Our Lady of the Gulf Catholic church.

Ring Mass

The Ring Mass is a special time for the Senior class. It is a mass and a ceremony typically held at the beginning of the school year in which seniors receive their class rings. As shown below, these seniors were not shy about displaying their new jewelry!

Below, left: Andres Osorno and Denny Li present the bread and wine during the offertory procession. **Below, right:** Jace Bourgeois receives a ring and a handshake from Brother Ronald Hingle.

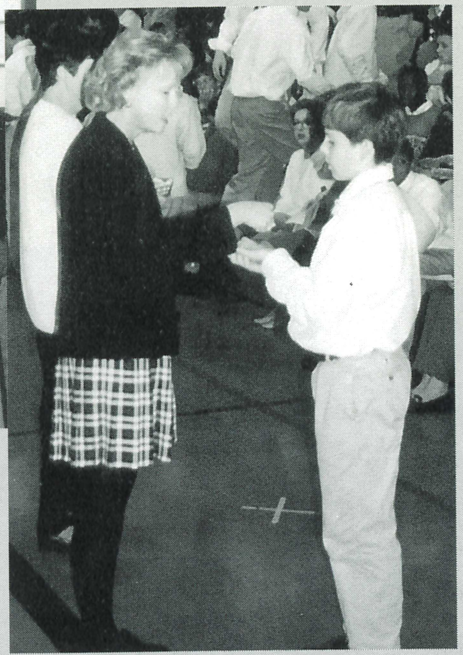
Masses and Academic Instruction

Masses and Liturgies

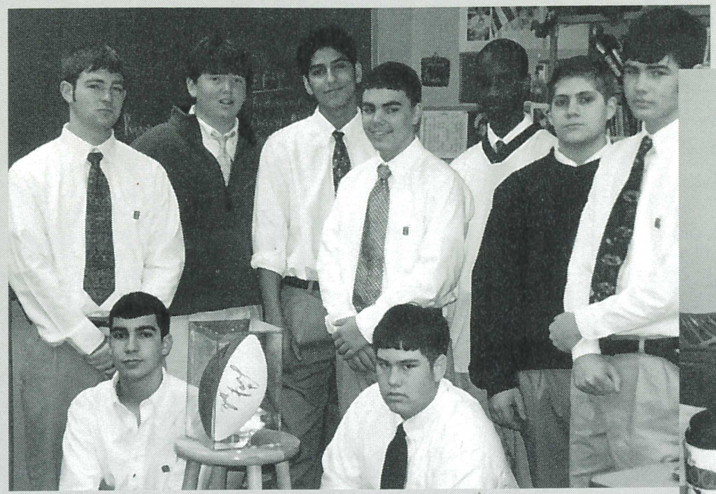
Mass enables us to learn how Catholics celebrate the life and love of Christ.



Knowing and experiencing Christ is a fundamental element of SSC. It is through our steady worship and prayers that we come to know Him and ourselves.

Lenten Giving Fund

Lent is a time for giving back. It provides an opportunity to help others achieve what they may not be able to achieve alone. This year, homerooms raised money for different charities in a variety of ways, such as raffles and crawfish boils. Ms. Preble's class even collected dog food, bleach, and towels for the Bay St. Louis animal shelter. The pooch below strains to see the commotion caused by the boys' arrival. Note the sad face the dog exhibits. On the other hand, the puppies brought much joy to Matthew Heyer, Rodolfo Balaguer, and Preston Ellis.



Above, left: Mrs. Dillenkoffer's homeroom class won First Place in the Lenten Giving Fund Raiser! The class raffled off a football signed by Brett Favre. Pictured left to right are Allan Rodriguez, Blayne Seguin, Chance Richards, Adam pace, Daniel Morales, Justin Guidry, Gustave Afrika, Bobby Orgeron, and Ret Thigpen. **Above, right:** Mrs. Holder is asked to choose the winner of the Brett Favre football from a fish bowl and draws her OWN NAME!

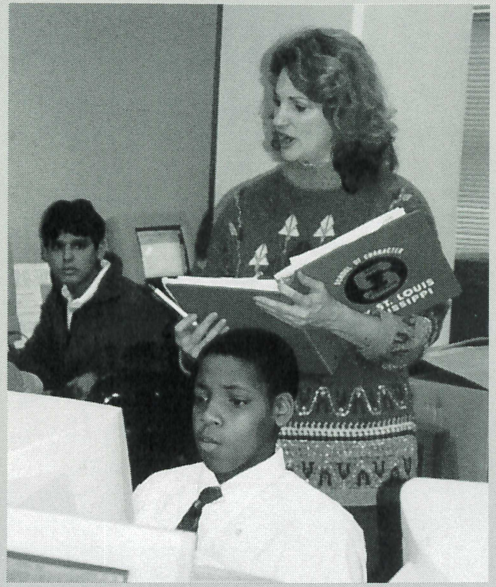
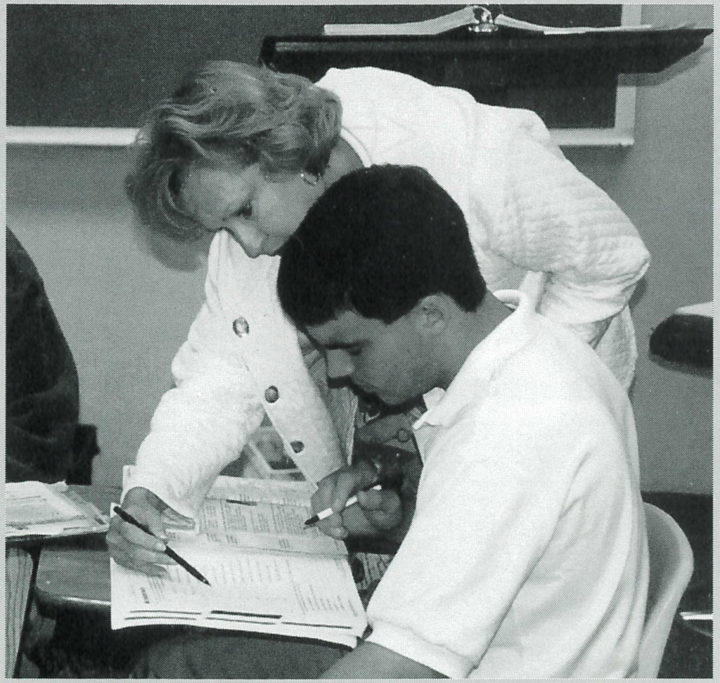
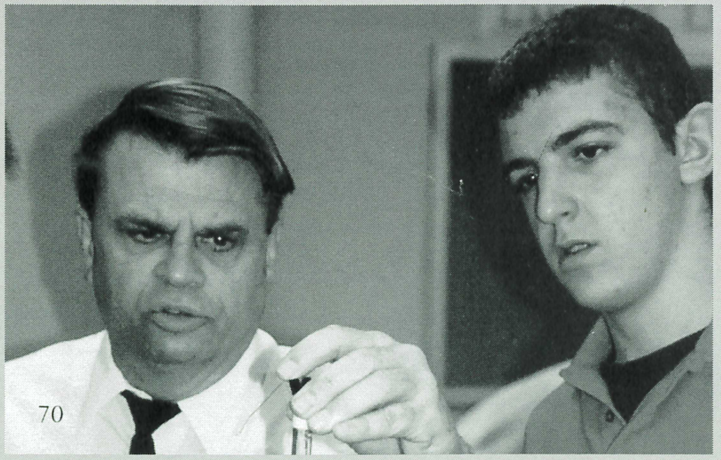
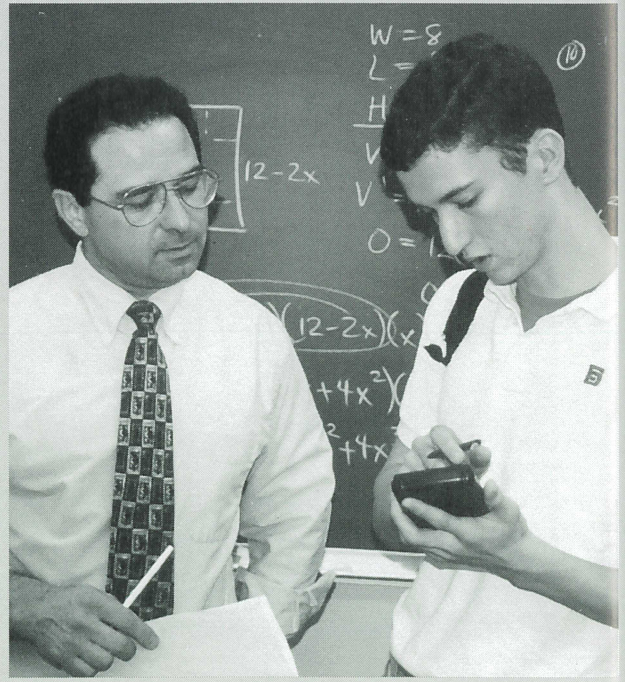
Malcolm assists Jonathan McLoughlin in the physics lab. **Below, left:** Mrs. Simpson reviews a passage with Charles Reymond. **Below, right:** Mr. Gemelli works with Dawson McCall and his calculator.



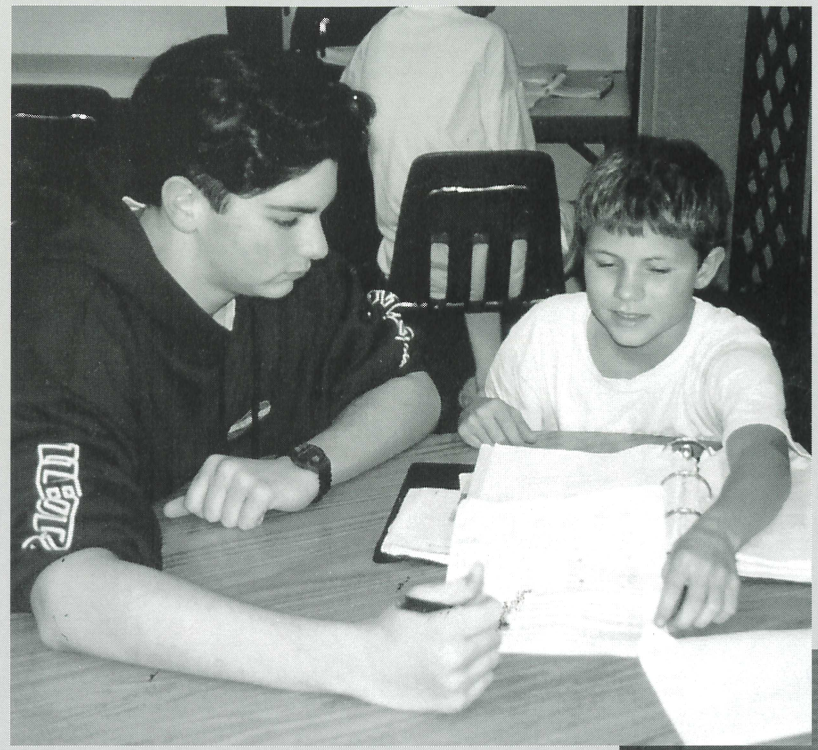






Tutoring and Independent Study

Assisting students with their studies through tutoring programs helps them bridge the gap between the classroom and homework. Sometimes a tutor is a teacher, an older student, or simply a good friend. **At left,** Andrew Nestor tutors Ross Clark. **Bottom, left:** Mrs. Fleming assists Philip Marino and Clif Beary with their math homework.



Another dimension in the scholastic life of many students is quiet study. Often, a little peace and quiet gets the job done right! **At right:** Joseph Bruno and Charles Reymond find some quiet time in their room to perfect sketches for art class. **Bottom, right:** Gary Maitland gets comfortable before tackling that book report.

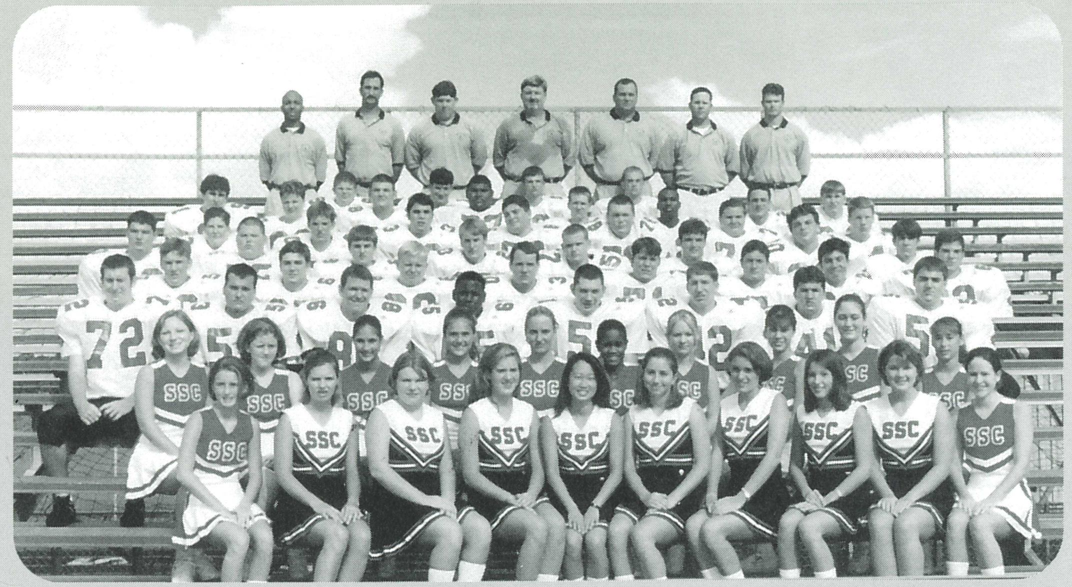
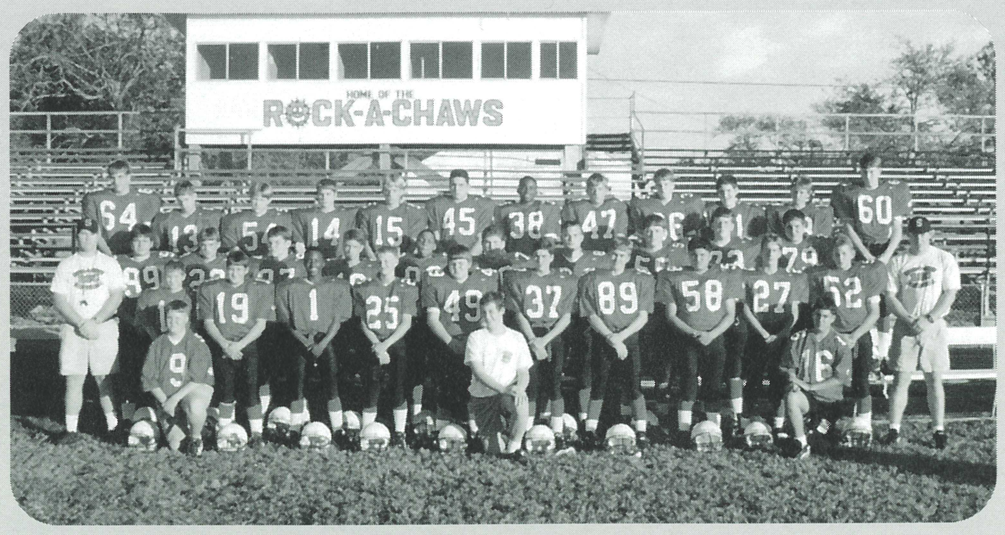
Athletics and Activities

Football

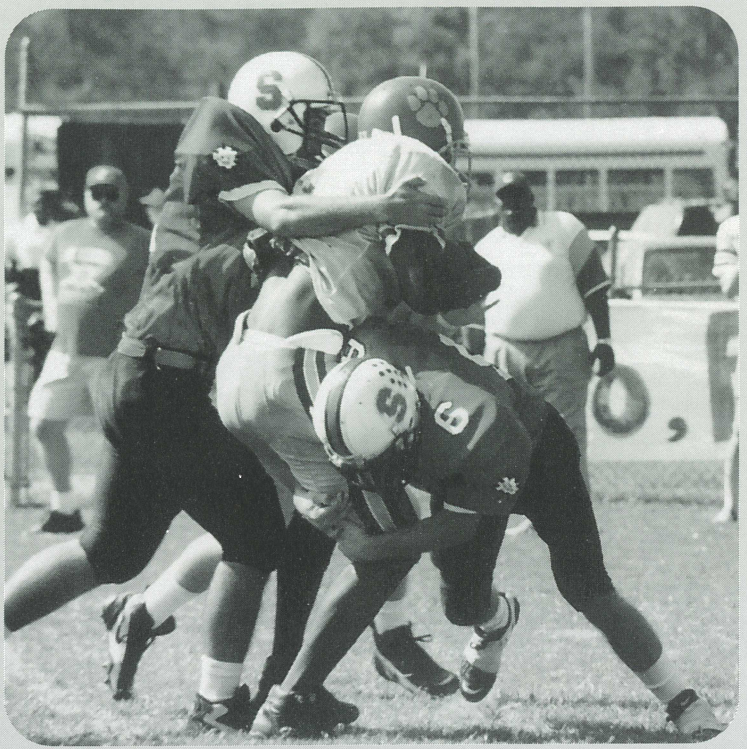
What a run! The Rock-A-Chaws ended up 7 - 5 for the season, having crushed Bay High to proceed to a state playoff game against South Pike in Magnolia, Ms. Though a defeat would occur there, the Rocks played with courage, team spirit, and sportsmanship, and won the admiration of friends and supporters in Hancock County and beyond.

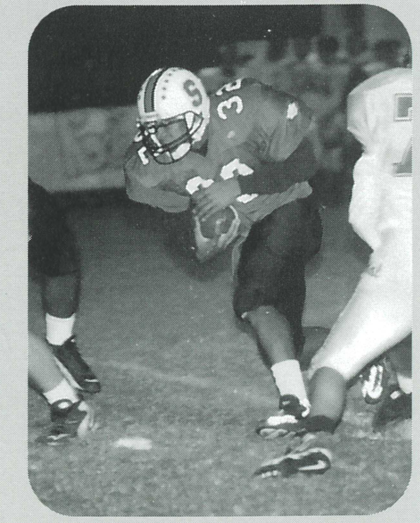


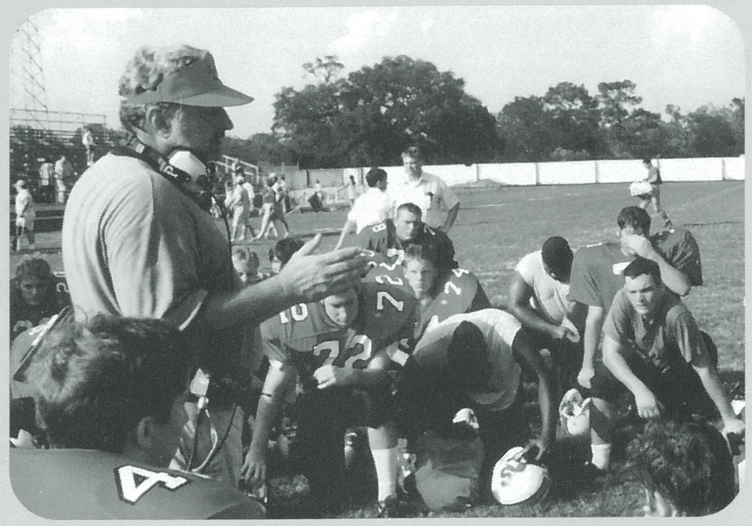
The 1998-99 Varsity Rock-A-Chaw football players included Jonathan Hirdes, Charles Reymond, Taylor LaFontaine, Brandon Lewis, Jamie Cuevas, Aaron Dunklin, Patrick Martinez, Jason Santiago, James McDOnald, David Kellum, D'Mitri Sofianos, Cameron Byrne, Calvin Wilbert, Roger Ridgeway, Kris Cannon, Michael Dauro, Helder Iombo, Alex Rotundo, Garret Garcia, Joseph Bruno, Steven Knight, Jeff Harville, Ashley Piazza, Mike Prendergast, Rod Olds, Jesse Battle, Cory Moody, B.J. Peralta, Paul Ladner, John Ellis, Tom Brenan, Hunter Dawkins, Fisher Maddox, David Byrne, Joe Carambat, Travis Fucich, Dennis Barter, Aaron White, John Crosby, Neil Favre, Joe Kuhner, Logan Walker, Joseph Diggs, Adam Knight, Matt Frost, Stephen Peterman, Laurence Coker, Matt Heyer, and B.J. Ledet.



The Jr. High Football players included Gabe Willis, Jarrod Bourgeois, Schyler Beech, Jeremy Lewis, Spencer Zeigler, Logan Terry, E.J. LeBlanc, Albert Estopinal, Ross Clark, Ben Bourgeois, Ryan Wattigney, Jeremy Keller, Chad Ladner, Chase Garcia, Tim Kulikowski, Richard Schorr, Ashton Wright, Mario Nievas, Brent Heath, Nicholas Weinmann, John Chapman, Tyler Gallagher, Frederick Mallini, Benjamin McMath, Louis West, Adam Delgado, John Paul Brumley, Zach Mellen, Kit Stovall, Vince Hoda, Peter Murphy, Michael O'Neal, Ryan WIlliamson, Ben Benvenutti, Josh Schultz, Jeremy Burke, Kace Mitchell, Sam Tart, Curtis Schmitt and Matthew Burke, Manager.



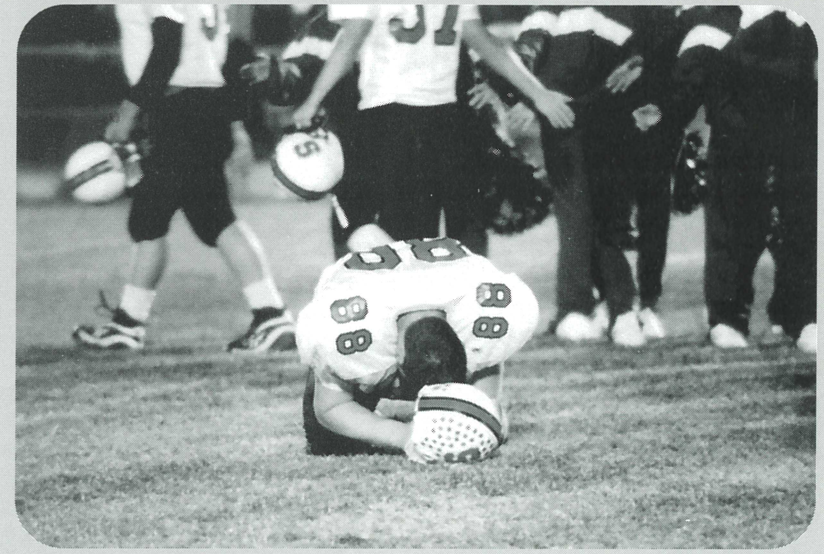


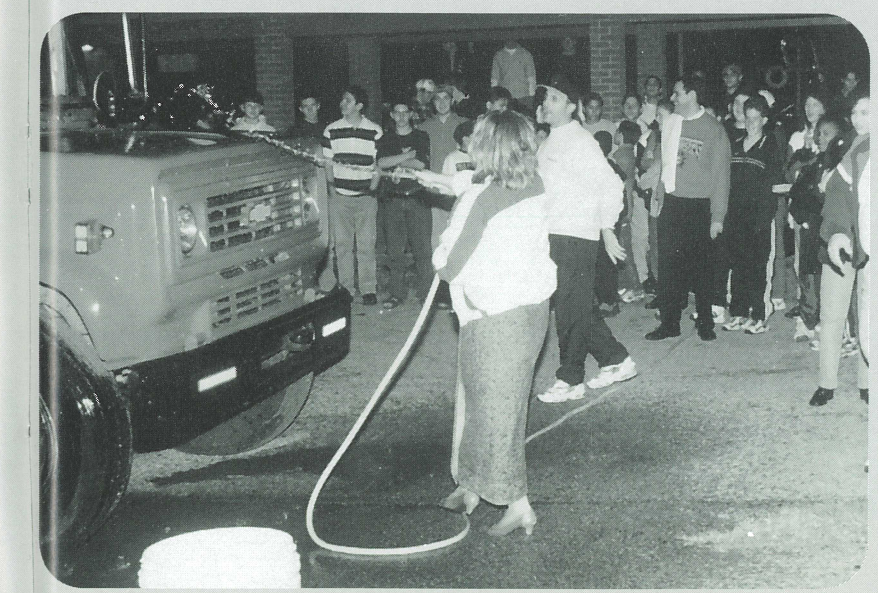


Top, left: Brandon Lewis works with his teammate to stop the quarterback from Bay High. **Top right:** Jason Santiago receives the ball. **Upper, right:** Coach Kenson talks strategy with the Rocks. **Upper, left:** Kris Cannon finds the middle wide open. **At right:** B.J. Peralta, Garret Garcia, and Brandon Lewis bring the Bay High Tigers to the ground.

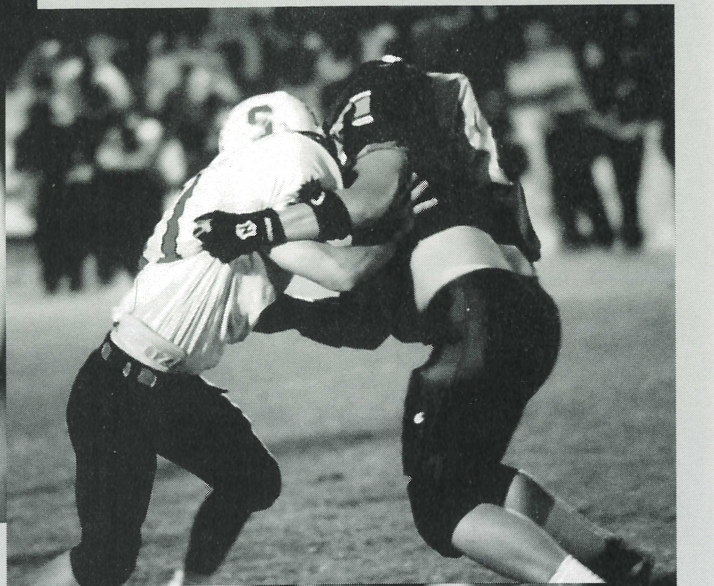
Calvin Wilbert makes a run during the game against the Bay High Tigers. Later that night, SSC won the game, a victory which sent the Rocks straight to the state playoffs.

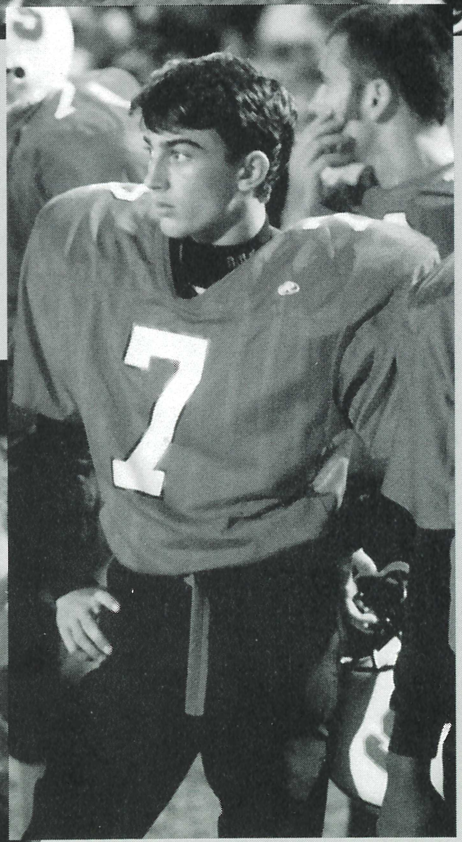
There was much emotion for the Rocks upon their loss to South Pike, only the first round of the playoffs. **Stephen Peterman** displays the heartache that Rock-A-Chaw players and supporters felt in the moments just following the game. The stinging loss, however, could never outdo the earlier victory experienced by the Rocks on January 15! **See bottom.**





In January, the SSC team bus received a cold bath from Bay High Principal Sandra Reed and Head Football Coach David Baughman. The wash was the result of the Rock-A-Chaws defeating the Bay High Tigers in this season's varsity football game, the final game of the regular season.





Another side of the team. South Pike pushed the Rocks to play their hardest on the field, and watching from the sideline was no easy task, either. Pictured here are moments capturing the "game faces" of players during the valiant efforts of their teammates against South Pike. **Above, left:** Roger Ridgeway. **Above, right:** The Rocks play tough to the very end. **At right:** Jamie Cuevas. **Below:** David Byrne and Joe Kuhner.

Newspaper Staff

Lead by Mrs. Donna Bradbrook, The **Rock-A-Chaw Newspaper** staff produced terrific copy this year as they kept SSC informed of the latest news around campus. Eighth grade writers included Matthew Burke, Ryan Davis, Padrick Dennis, James Fulford, Vince Hoda, Edward Jasper, Kunal Patel, and Trey Schorr. Seventh grade writers were Jeremy Burke, Chris France, Tyler Gallagher, and Andrew Waterman. Thanks for your hard work and long hours, gentlemen! We look forward to seeing the newspaper in its second season!

Literary Magazine Staff

The SSC literary magazine, Bay Echoes, is a collection of poems, works of art, and essays in the various literary genres produced by students in grades 6 thru 12. Students create work in their English classes, as well as on their own for submission to the magazine. This year's editor of Bay Echoes was Doug Whitmore, while David May assisted with layout. In charge of production were Won Cho, Doug Whitmore, Frank Caracci, and David May. Mrs. Ann Kortman oversees production of the magazine.

Academic Competition for Excellence

The Academic Competition for Excellence (A.C.E.) is a day of academic testing in core subjects for students in 5th thru 7th grades. St. Stanislaus hosts this fun-filled December day for students all across Southeast Mississippi, and is fortunate to have Mr. Mike Gemelli as its primary coordinator. The students prepare ahead of time for the exams which they will be taking, and arrive at SSC early Saturday morning full of excitement and questions about St. Stanislaus. SSC students act as guides for our visitors, escorting them to their testing rooms and tending to their needs while they spend the day on campus. This year, Mr. Gemelli organized a show of hot-air balloons which brightened up our campus and thrilled the hard-working students who participated in the competition.

SSC Prom

SSC's Prom 1999 was held at the Orange Grove Community Center. Decorated with a "Bright Lights, Big City" theme, the center underwent a drastic face lift as tables, walls, and even the ceiling were transformed into a magical atmosphere of nighttime glitz! The feeling was definitely that of being "out on the town," and as pictured here, SSC students (and faculty!) were ready to enjoy the ritzy, nocturnal festivities.

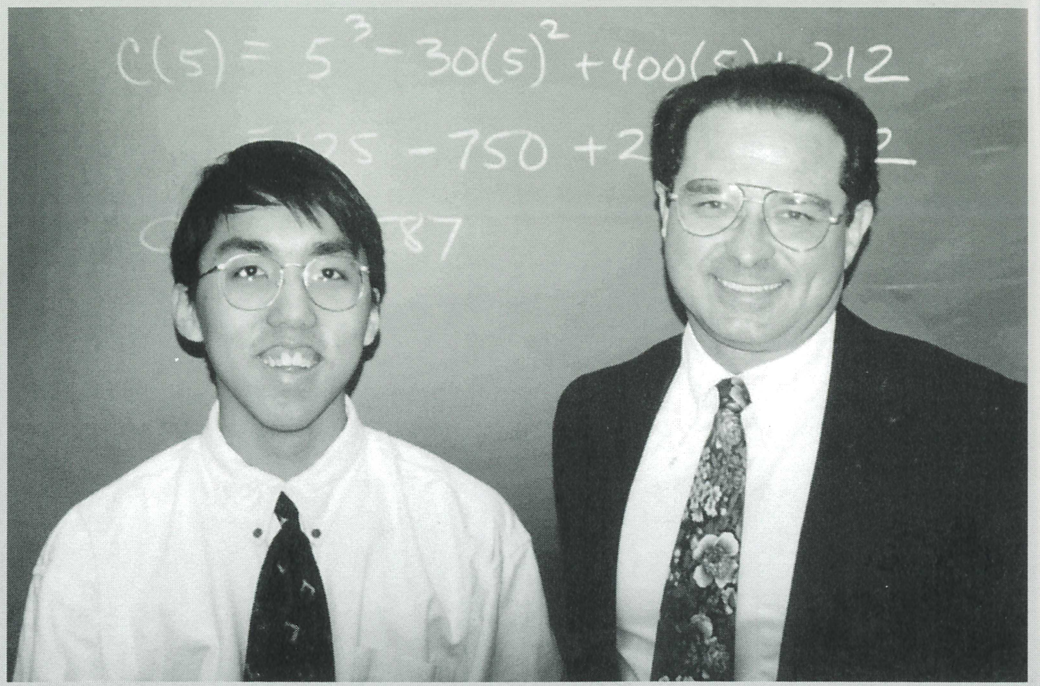
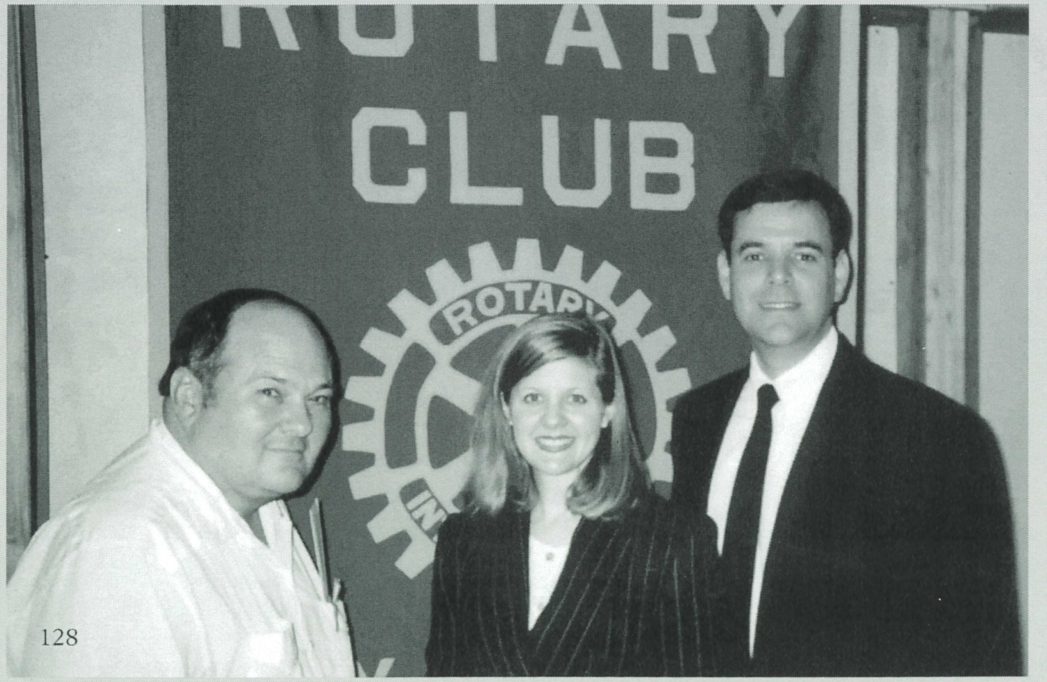
STAR Student and STAR Teacher

The STAR student is the graduating senior who scores the highest A.C.T. score. This student then selects a member of the faculty who has been a positive and supportive inlfuence in that student's career at St. Stanislaus. This year, SSC selected Denny Li, who scored 33 on the A.C.T., as the STAR student, and Denny selected Mr. Mike Gemelli as the STAR Teacher. Mr. Gemelli teaches upper-level math courses such as calculus and trigonometry. Congratulations to both Denny and Mr. Gemelli!



Teacher of the Year



The St. Stanislaus administration selected Ms. Leah Preble as **Teacher of the Year** for the 1998-99 school year. The Teacher of the Year is chosen for his or her ability to capture both the attention and imagination of his or her students, and for the enthusiasm with which the instructor brings to the classroom. Ms. Preble was among nine outstanding educators in the Bay-Waveland area who were honored by the Bay-Waveland Rotary Club.

Acknowledgements

As I complete this final page in a yearbook written about "the end of things," it seems especially appropriate to honor several people who were "in it 'till the end."

To Matthew Burke, whose quick responses and numerous rolls of film made our job a bit easier, thank you!

To Thomas Pellissier, who always met me with a smile and a "Sure, I can do it," my heartfelt thanks. You are a dilligent worker and a reliable partner.

To Brother Ronald Hingle, who allows the staff to produce the book at our own pace, I say a heartfelt thank you for that patience.

To Mr. Todd Riche, whose thousands of great photos literally make the book a reality, a HUGE thanks. Thanks, too, for your opinions and your on-the-spot creativity. The book would not be a success without your contributions and collaboration.

To Mr. Tom Ackerman, the greatest 24-hour tech-support I know. Thanks for being on-call all year.

And to Albert and Denny Li, two brothers and friends who quite literally were the last two out of the yearbook room this summer, I am so blessed to have worked with you. Your time, your humor, your tic tacs, and your faith in what we were creating kept me glued together more than once. Your positive energy and Domino's pizza made those hot summer months workable, and Albert, crashing the Mac was never so fun! Thank you both from the bottom of my heart.

Finally, to the Senior Class of 1999, who by virtue of their status became a chief concern in the production of the book, may you always hold God in your heart. He will impart the grace necessary to fulfill the elements in our last quotation by Ralph Waldo Emerson. Best wishes.

"To laugh often and much, to win the respect of intelligent people and the affection of children, to earn the appreciation of honest critics and endure the betrayal of false friends, to appreciate beauty, to find the best in others, to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition, to know even one life has breathed easier because you have lived. This is the meaning of success."
